Carol Sugars *K5TFL* - Biography

A ham since a teenager growing up in the UK Carol holds both US and UK callsigns. She enjoys restoring and repairing electronic and radio equipment and builds most of her own antennas. Carol very much enjoys portable operations and enthusiastically supports Field Days and Summits on the Air (SOTA). She has successfully set up and operated radio stations in many locations worldwide from the sub-arctic South Atlantic to tropical Caribbean. Last year she helped set up a multi-operator Dxpedition station in the jungle in Cuba and she is heading to both Iceland and the Faroe Islands for another Dxpedition involving SOTA this June.
