Introduction from the President

Greetings!

This Saturday is our monthly in-person meeting. There will be a HT giveaway. I moved the presentation by Gerry Jurrens N2GJ to a later date. I am waiting on his response to schedule that date. Thank you Gerry for understanding. We have some club business to discuss, plan, and vote on. We will also engage in an activity that will help us discover membership and visitors desires for the club moving forward over the next 18 months. This is done in a very safe, neutral and fun methodology. I need your help to ensure that programming and events align with the interest and desires of membership.

We still need a volunteer to be the Chat Shack Net Controller on the 2nd Saturday of the month. If you have never been a net controller, now is the time to get some experience. We will mentor you.

A Big 73 to Mary Ann NS7X for volunteering to become an ELMER for our club. We can still use a couple more club members to join the Elmer ranks.

Don't forget to join fellow Hams on our Wednesday Noon Zoom CHAT room for lively discussions on current events in Amateur Radio. See you Saturday!

73 Mike KI5NBP

Club Repeaters and Simplex Frequencies

The Club has Two Repeaters, 442.750+ PL 162.2 on Sandia Crest and 145.370 - PL 162.2 in Edgewood. The Club uses two Simplex frequencies, 146.460 and 446.025

Join the FUN, join the Club

Are you aware that the HDARC is one of the most active Amateur Radio Clubs in New Mexico? Well, it is! Read on and find out! Tell a friend! www.nm5hd.org

To become a club member go to www.nm5hd.org and click on the "[become a member](#)" tab to join the ever growing group of the coolest Hams in New Mexico, you'll be glad you did!

REQUEST FOR ELMERS! -UPDATE

A Big 73 to Mary Ann NS7X for volunteering to become an ELMER for the Club. ELEMERS are defined as an experienced operator who takes someone under his or her wing, providing personal guidance and answers to the thousands of questions that confront a newbie. In our case it would include those

wanting to upgrade. We still need 2 more members with a General, Advanced or Extra license that would like to consider what this might look like. Please shoot me an email at hdarcpres@gmail.com if you wish to explore this opportunity.

The DATA Academy -APS Charter School MOU Radio Club

We have received the MOU back between HDARC and the DATA Academy APS Charter School to form the Data Academy Amateur Radio Club (DARC) from school administration ready to move forward. The Board of Directors this week approved the MOU according to Chairman Ken. This Saturday I will present it to the membership with a budget for ratification.

ARRL 2024 Field Day HDARC Event June 22, 2024

Our club will be participating in Field Day this year. We have secured a permit from the City of Albuquerque to utilize the North Domingo Park Pavilion near the Dog Park to set up operations from 9:00 AM till 6:00PM On Saturday June 22, 2024. This is the same area we operated last year. Save the date. As we had during the 2024 Winter Field, we are considering the option to operate from multiple sites in the metropolitan area. More information to follow soon. To learn more about the 2024 ARRL Field Day [Click Here](#).

Duke City Hamfest (DCHF) “Call for Presentations” SUBMISSIONS DEADLINE is now extended to May 31st, 2024 APRIL

The 2024 DCHF website is live and now accepting registration for the Sept,20-22, 2024 event in Albuquerque NM. The HDARC is a sponsor of this event. Visit the website dukecityhamfest.org for more information. The 2024 DCHF has announced a ["CALL FOR](#)

PRESENTATIONS". If you have a passion for a particular subject related to Amateur Radio, here is your opportunity to share it with the HAM community. These forum presentations are no more than 50 minutes in length. Click on this link **"CALL FOR PRESENTATIONS"** to learn more. The **SUBMISSIONS DEADLINE is now extended to May 31st, 2024.** If you have questions about presenting at a forum contact me directly at 505-401-0219 or at ki5nbp.mike.smith@gmail.com.

Test Equipment for Members

Harvey KI5YVY made a pitch to the club during the APRIL 2024 club about looking into the club purchasing some of the higher end testing equipment that we use as Hams for testing out our equipment and antennas. The purpose would be to loan this equipment to members when needed on a short term basis. The club approved us to move forward to create a proposal. Thank you Harvey for bringing this suggestion forward. I look forward to an update from Harvey at this Saturday's live club meeting.

HDARC By-Law Review Progress Report

Your club officers are finalizing the review of the current set of organizational by-laws. The goal is to have recommendations to the Board of Directors by Mid April 2024 for their review, comments and possible action. If action is taken, the new recommendations will be sent to the

membership by email for review by the end of May 2024. A portion of the June 15, 2024 in person club meeting will be set aside for the membership to ask questions, recommend modifications, and possibly ratify what the Board of Director approved with amendments if needed. To review the current by-laws [CLICK HERE](#).

HDARC CLUB TRAILER

During the APRIL 2024 club meeting membership approved to move forward on creating a proposal to modify the club trailer as a communications trailer. I am looking for suggestions from our membership. Leadership will move forward on putting together a proposal to bring to the membership over the next 30-60 days. Please email me with your suggestions at hdarcpres@gmail.com.

Live Streaming HDARC Monthly Meeting on ZOOM

During the APRIL 2024 club meeting membership approved to move forward on developing a proposal from the leadership team to live stream and record our monthly

meetings and presentations. I hope to submit a proposal to the membership within 30 - 60 days.

CONCLUSION

Check the club's website often, there are interesting things being added weekly. www.nm5hd.org

I want to thank the club's COB, Kenneth Ham, AG5UY, for maintaining the website. Thank Yul, WA5YUL and V.E. team for what they do to provide free testing to the public. Thanks to those of you who provided content for this newsletters.

I look forward to hearing from you on the CHAT Shack Net this Saturday! Feel free to reach out to me anytime at hdarcpres@gmail.com.

If you wish to add content to the weekly newsletter the deadline for submission is Monday preceding the Wednesday publication date.

73 Mike
