

HDARC Club Meeting Nov. 19, 2022

Meeting started at 10 am with the pledge of Allegiance. Everyone introduced themselves.

The minutes of the last meeting were seconded and approved.

Treasurer report, we are solvent.

There are 77 active members this month.

The possibility of of renting a storage unit was discussed. Based on the research that David Ham did, the cost would be about \$1200 a year to store equipment that doesn't have an equivalent value. Now that we have the HAM club trailer again, a lot of the equipment will be stored in it.

The sale of equipment in October was a big success. A lot of the big antennas and radios were sold. All of this was from donations that the club received over the last six months.
