

## Minutes for March 18, 2023 HDARC Club

Meeting opened at 10am with the pledge of allegiance. Everyone introduced themselves to start the meeting.

Meeting minutes were seconded and approved.

Treasurer report – we are solvent.

Membership report – 61 active members, senior and honorary members.

### Old Business

We are still looking for a new net operator for the 4<sup>th</sup> Saturday of each month. You can try it once just to see how it is done. There is a script provided by the club for the net to make it easy to run the net.

The Apocalypse Seminar is on March 25 from 8 am to 5 pm. It will be on the NM University campus.

Carrington Event is a solar flare exercise that will be on March 25. Ed Poccia, KC2LM provided some information about it. It will be on Winlink only.

David Ham, N6SIK talked about the ASK Academy Student Ham Group that is starting. Harvey Dove, KI5ZY is the liaison with the school. The first meeting to set up the club was held and everyone is very excited about creating this student HAM club. There is a second meeting set in two weeks.

### New Business

NM QSO Party is Saturday, April 1. It was set up at the Ojito BLM parking lot.

Field Day – June 24<sup>th</sup> will be held at the Domingo Baca Community park where it was last year.

John Mocho and Ed Poccia gave a presentation on Analog and Slow Scan TV.

Meeting adjourned at 11:30
