Hamming Around New Mexico

Mark Your Calendars for Saturday, October the 28th. We will be traveling to the Moriarty Airport, plan on arriving at 10am. We will gather at Hangar #80, The Lobo Wing of the Commemorative Air Force, to tour the historic military airplanes being restored.

We will have lunch in the hangar. Hamburgers and such. They charge about \$7.00 each.

Following lunch, we will head across the street to a clearing where we can set up stations and make contacts.

- Refreshments, 50/50 ticket sales.

- Presentation

Balloons & Annular Solar Eclipse 14 Oct 2023

Albuquerque is in the direct path of this near total solar eclipse the second Saturday of the International Balloon Fiesta. Not only is the eclipse a cool event, we hams can participate in providing data to further the study of ionospheric science.

Our own Bill Mader, K8TE, will represent Amateur Radio at the NOAA, NSF, and NASA sponsored event at the Anderson Abruzzo International Balloon Museum that Saturday morning. You can participate from home by operating CW or FT8/FT4 in the Solar Eclipse QSO Party. Bill will explain how we can join this celebration of science.

- Next meeting 9-16-23

- 50-50 drawing and Drawing for Handheld Radio

- Distribution of stickers, Note Pads, Coasters, Name Badges.

- Adjourn at 11:30am
