

Minutes for HDARC Meeting January 21, 2023

Meeting opened at 10 am with the pledge of Allegiance. Everyone introduced themselves.

The minutes from last month's meeting were approved

The Treasurer's report is that the club is solvent. Tom Sipf, NM5TS also stated that the club had sent a \$200 donation to Paul Choc to support the megalink.

Mike Chirin, NM5MC mentioned that Amazon is no longer using the Smile program.

Member's Report shows that we have 66 members and we are still getting people paying dues for 2023.

The president granted five lifetime memberships with full privileges to David Ham, Becky Ham, Ryan Ham, Kenneth Ham and Lauren Ham in recognition of their untiring efforts to maintain the integrity of the club and recover the club assets.

Old Business

We are planning on taking an inventory of the radio equipment that the club owns in February, 2023.

We had several sizable donations in 2022 that need to be listed. Mike Smith, KI5NBP and one other person volunteered to help with this.

Nuclear Museum STEM week – Mike Smith is organizing this event on Wed, 2-15. NOTE: This event was cancelled at the last minute by the Nuclear Museum due to weather.

Spaceport Event was tentatively set for March, 2023 but has since been rescheduled for Fall, 2023.

Winter Field Day, will be held January 28, 2023 Will be located at the ASK Academy in Rio Rancho. This is a full day event and we need a lot of help setting up radios, antennas and displays for people to study.

New Business –

Election for a 2 board of Director positions will be held in February, 2023 Please contact David Ham, N6SIK if you would like to run for one of the positions.

Yul Bratcher presented a 10 minute video on setting up for field day.

50/50 Drawing was held

The club also had a drawing for three ARRL 2023 calenders.

Meeting ended at 11:30 am.
